Where to find your Provisional personal identification for creating a library account

- Log in to [https://intranet.ku.dk](https://intranet.ku.dk)
- Click Self Service
- Click My data
- Click UCPH Username and
  find the Provisional personal identification: A 10 digit number also called a pseudo cpr number. If you don’t have a cpr number (comes together with the Danish health insurance card) You can use this number for signing up for a library account. If there is no number, it means you have been provided with a cpr number.
